CHANDRAN
STEELS

Unlock healthier cooking with our Multi Rack Steamer, designed to prepare multiple dishes at once. With layered racks and efficient steam circulation, it lets you cook veggies, idlis, momos, and more—all while preserving nutrients and flavor. Durable, easy to clean, and space-saving—it's your all-in-one steaming solution for fast, fuss-free meals..

STEAM CHEF

Chandran Steels

Introducing our Steam Chef — Say goodbye to unevenly cooked meals and embrace perfectly steamed results every time. Designed for more than just rice, this multi-functional steamer cooks vegetables, eggs, meat, and even fluffy idlis with ease. Crafted with precision, it features advanced steam circulation technology to ensure even cooking while preserving nutrients and flavor. Crafted with precision engineering, our rice steamer features advanced steam circulation technology, ensuring each grain is evenly cooked while locking in moisture and flavor. Enjoy hassle-free, healthier meals with consistent results - every time
